### MONTAGE ART COFFEE TABLE BOOK

The Montage Art Book is a photographer's favorite. It provides our most contemporary look for the most progressive bride and features today's hottest trends like metal and photo covers. This true coffee table styled book also offers our most fashion forward options and features. The Montage Art book is perfect for digital spreads and displays the most complex designs perfectly.

- Consider this our sexiest look yet. Very thin pages and a full photo wrap cover, the Montage Art is limited only by your imagination. Create the exact look you want with a photo wrap cover or opt for the thin page styling joined with a standard cover. The choice is yours
